President's Corner

Well, once again, I have enormous shoes to try to fill, as I attempt to succeed Pam in the role of club president. Fortunately for me, I know Pam is just down the road AND I have an incredible leadership team. Governor Geeldah's theme is "Gifts from the Heart." It's so exciting to see some newer faces stepping up to be a part of the officer team and give their gifts. It gives me great encouragement for the future of our club and its impact on the community.

That being said, we have some lofty goals for this year. First, we are hoping to expand the Anchor program to include not only more students at Lenoir City High School, but also students from throughout the county. We have a terrific contact helping us at Crossroads Christian Academy, but if you know of someone at Greenback or Loudon high schools who could help us get the program in their doors, please let Brittany or Pam know.

This is also the year when we need to fund the remainder of our commitment to the Lenoir City All Access Playground. We are hopeful that our PI grant will be funded this time around, but if not, I have full confidence that our club can fulfill its commitment to the children of our community. This is just one area that will be keeping the Projects Division busy, so please see Judy or Carolyn if you'd like to get more involved.

In an effort to give our volunteers a brief respite, we are changing up our fund raising activities a bit this year. We'll still need everyone's help though, so start taking those nut orders soon! Also, stay tuned for information about the new spaghetti supper. See Kim to learn more.

Lastly (and perhaps most importantly), we are also hoping to GROW our club this year. Please bring visitors! Bring them to meetings, to projects, to fundraisers ... and be sure to give Kim their email addresses so we can add them to our

2014-15 Anchor Installation

With the new officers in place, after the April Anchor Installation, the school year has begun and we are excited about the Anchor Club. Thursday August 14th is Club Day at LCHS. We have prepared for an all out sign up for new members. We are also attempting to recruit teens from other schools in our county. The plan is to make the young people aware of all Anchor Club can do for them and their future. We are using the proclamations we received when we came in third internationally and highlighting the scrapbooks that Dora did so well to entice them to sign up.

Pam and Brittany

At the April 2014 meeting our new Anchor Club officers were presented and the graduating seniors were recognized.

Fundraising Division

Two Fundraisers planned for 2014-15

The fundraising committee presented their plans of work to the executive committee which were approved to have our annual pecan nut sales again this fall and the second fundraiser this spring. Since the club did well last year and had money left over in the bank, we decided to take a break from doing the fashionshow and do a lesser time consuming and cut upfront costs by doing a spaghetti luncheon to raise money for the all inclusive playground. The committee is still working out the details of date and the venue to have it at.

So everyone start putting together your pre-orders for nuts, Pam will be letting us know soon the costs and when we need to submit our orders for her to turn in.

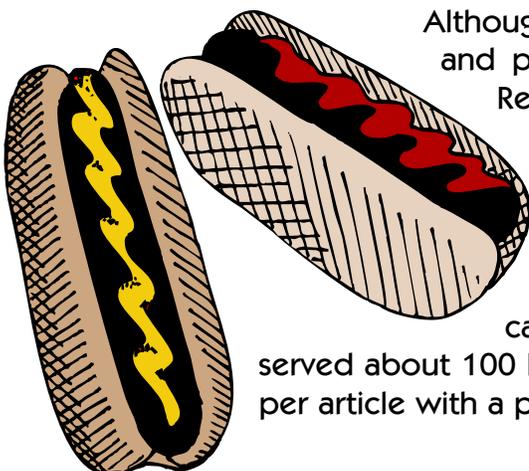

Thanks, Kim Knott

Projects Division

Pilots Serve Lunch for Two Events

Although our project members waited on fewer pre-school students and parents this year at the annual Child Find at the Lenoir City Resource Center than in previous years, the bags of hot dogs, snacks and water were very much appreciated. We served between 250 and 300 people.

At Festival of Friends, the numbers were also down but weather was the contributing factor. The skies were threatening when we set up but soon cleared enough so that all who came could go out on the water and enjoy themselves. We served about 100 hungry participants and our club was included in the newspaper article with a picture of our serving line. *Judy Fleming*

newsletter distribution list. We are reaching out in some different ways this year to folks we know have heard of Pilot, in an effort to recruit new talent to our club. If you have ideas about how to increase our ranks, please talk to Lee.

Please be sure to mark your calendars for Tuesday, August 19th. While we don't typically have a meeting in August, we have added one this year in order to get our plans of work to District in a timely manner. The meeting will be held at Morning Pointe Assisted living Center, beginning at 6:30pm.

I'll go ahead and thank everyone in advance for a terrific year. I'm so excited to see what "gifts from the heart" our club brings!

In Pilot Friendship, Allison

Our Official Visitor, Janet Williams, inducted our newest member, Lisa Lee, and also installed our 2014-2015 officers.

Mark Your Calendar!
