March 2016

President's Greeting:

Welcome Springtime!

We have had glorious weather lately. Hope you have enjoyed it. Great days to get out and do lots of projects we have been putting off.

March is Membership month and a great time to introduce potential members to Pilot. This meeting we will be having a short program that will include the history of Pilot International. We will also be honoring Jerri Wilhite, Special Education teacher at Park View Elementary, and the Pilot Club of Cookeville Special Education Teacher of the Year. We have heard great things about her as a teacher and look forward to seeing her Tuesday night. "A teacher affects eternity; she can never tell where her influence stops." I hope everyone will make it a

point to attend the meeting Tuesday night at 6:30.

Don't forget that the executive board meets at 5:45.

Please let us know if you will be attending District Convention in Pigeon Forge, April 15-17. It is always fun to see Pilots that we haven't seen since last year or longer.

Also, don't forget to bring items for 2 sunshine baskets for 2 of our members, but keep in mind that the best gifts are tied with heartstrings.

God bless and keep each of you. With God, nothing shall be impossible.

In Pilot Love

Lillian

Remember to mark your calendars for July 22-23 for the Project Lifesaver Training !!!
