President's Corner

Welcome Pilots!

Hope you are staying dry with all this rain. Spring will be here in a few days, which is always exciting, especially this year.

Please remember to come to the Share Pilot brunch at Collegedale Church of Christ Saturday March 14. Everyone needs to be there at 9 am to decorate. If you signed up to be on a committee, please get with Geni and see what you need to do.

District Convention will be here in a few weeks, April 17-19th. Remember, if you want to purchase a ticket for a chance to win the cedar chest, tickets are \$5. I will have tickets with me at the meeting.

Please plan on attending the meeting this month, as we start nailing down plans for Fall Council.

In Pilot Love,
President Misty

Membership

Projects

Another great year of Brainminders is completed. We are so thankful for each and every person who has ever helped with this project.

Also, we are still looking for children or adults who would benefit from Project Life-saver. If you know of anyone who you think would qualify, please let Mary Alice Kinslow or Susan Moores know.

District Convention Fundraiser

District Convention Fund Raising Event consists of a drawing for a one-of-a-kind handmade Cedar Chest made exclusively for the Pilots of the Tennessee District by Treasurer Janet Williams' son. On the front of the chest is a place for a plaque for the winner's initials, which will be added once the winner is announced. Tickets are \$5 each. The fund raising event is for members, family and friends of members. Tickets will be available for sale at the March meeting. Please support the TN District and purchase at least one \$5 ticket and possibly more. The winner will be announced on Sunday, April 19 at District Convention. The TN District Administrative Council thanks you for your support. Checks, made out to TN District Pilot International, or cash will be accepted.
