Anchors Help Pilots with Several Events

Our Anchors have had a very busy month! For several weeks, they helped train the athletes for Special Olympics. On April 13th Special Olympics was held in Lenoir City. Next, our Anchor Club Installation and Senior Recognition night was held at the Pilot Club meeting. The Anchors also worked at the "Forget Me Not" Alzheimer 5k, handing out waters and serving snacks to the runners. Later that day they served lunch to the fishermen at the annual Coty Bluford Memorial Bass Tournament, a fund raiser for the Loudon County Education Foundation. The next week, the Anchors helped with our Pilot Club Pancake Breakfast fund raiser. This month they'll be busy with prom, graduation, and Project Grad! *Dora Cooper*

Pancake Breakfast Fundraiser at Chili's

Thanks to all of you that helped with the Pancake Breakfast at Chili's. We earned \$320+ for the club. We were in competition with the LCHS band Pancake Breakfast at Aubrey's this year so I am happy with the money we raised. Special thanks to the merchants that donated items: Ingles, Food City, Walmart & Wampler's. The fundraising committee worked hard this year to raise funds for our Pilot projects. Our profits suffered due to economic hard times and some scheduling conflicts with other events. I want to thank everyone for their time and talents and I am looking forward to a more successful fundraising year in 2013. Happy Spring and I will see you all on May 15th for planning.

Parkinson's Walk of East Tennessee

The first annual Parkinson's Walk on April 21st for PK Hope is Alive was a huge success! PK Hope is Alive is the support group for Parkinson's Disease that Betty Brown attends. PK Hope is Alive raised over \$16,500 ranking them 8th out of 25 nationally for fundraising. Nationally the Unity Walk raised over \$1.5 million, ALL of which goes to research.

A big thanks to Sandra Augustus and her husband, Gerald for walking in honor of Betty. Between Sandra and Betty they raised over \$250. Thanks to all other Pilots who helped or donated to this cause. *Carla Conway*

Pilots Serve Lunch for Child Find

Pilots once again, served lunch to over 250 children, parents and volunteers at the annual Child Find at the Lenoir City Elementary School. Children and their parents come to register them for school and also receive free health screenings, shots, eye exams, and hearing exams. Pilots bagged lunch sacks with a hotdog, chips, a cookie and fruit, and juice pak.

Loudon County Special Olympics

This years event was back at Lenoir City Middle School Track and the Pilots participated by providing lunch for the athletes and their coaches. Over 235 were served. Lunch consisted of Pizza- 45 large pizzas to be exact- bananas and apples, Little Debbie cookies and choice of chocolate milk or juice. The Anchors helped by timing the events and cheering on the athletes.

Forget Me Not 5K Run for Alzheimers

Pilots participated in the 3rd Annual Forget Me Not Run for Alzheimers by being a paid sponsor and also picking up the food and serving breakfast to the participants. They had their choice of pastries, donuts, bananas, oranges, and apples and of course cold water. Pilot member Jill Tarter even walked in the event. Way to go Jill!
