President's Corner

International Care and Kindness Week (Nov. 9-16) was created to bring awareness to how simple acts can change a day, a life or the world by simply showing someone you care. During this special week, Pilots all over the world engage in numerous activities to emphasize and encourage kindness, caring and general good will to all! Although Pilot and Anchor Clubs perform "Pick Me Ups" for family caregivers in their communities throughout the year, special emphasis is placed on this signature program during International Care and Kindness Week.

Our Pilot Club undertook its very first "Pick Me Up" project by preparing and delivering 30 caregiver goody bags to the families of some very special pediatric oncology patients at East Tennessee Children's Hospital. A special "thank you" to Pam Graves, Sue Beltz and Kim Knott for bringing the project to life. Thanks also to our District Governor-Elect Sherry Bath for donating her travel reimbursement to help offset some of the costs of the project.

Speaking of Governor-Elect Sherry, we enjoyed her company, advice and counsel during her Official Visit in September. In her meetings with the executive board and the full club, she was a wealth of information about Pilot International, the "Pick Me Ups" program and the current status of the 501(c)(3) tax status transition (which, by the way, is still a work in progress).

Also during the September meeting, we were thrilled and honored to recognize our very own PCLC Sweetheart.

Anchor Sign Up Breakfast

Breakfast was served at school before classes for those interested in joining Anchor Club. There were about 28 in attendance, although only 2 have paid their dues so far. Anchor projects for the coming months include Fantasy of Trees and Civitan Christmas Party for Special Needs Students.

Pam and Brittany

Our Official Visitor: Pres. Elect Sherry Bath, along with Allison Sousa present Pam Graves with Sweetheart Award

Hanna Powell is our newest member, shown here with members Lee Ledbetter and Hanna's grandmother; Delores Powell.

Fundraising Division

Pecan Orders are (Almost) Ready to Pick Up

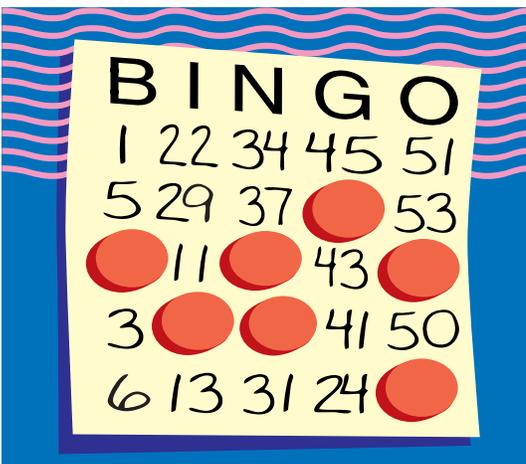

At the time of putting this newsletter together we are awaiting the delivery of the Pecans to Pam's. We are expecting them on Wednesday or Thursday of this week. When they arrive, I will be calling people to help divide them up, and calling everyone to come pick up their orders. Keep on selling and if you need more, Pam has extras and you can always direct people to First National Bank locations where they can also purchase nuts. *Thanks, Kim Knott*

Projects Division

On Going Projects: Reading and Bingo

Our reading to Pre-K students at Lenoir City Elementary School is every thursday morning at 9:30 am. We can always use volunteers for this enjoyable half hour.

Bingo at Baptist Health Care has a small number of clients participating now so Linda Oakman and myself usually can handle the activities ourselves, but we could use donations of stuffed animals and cheap but pretty necklaces, etc. to use for prizes. Just bring to any of our Pilot meetings. Thanks *Judy Fleming*

“Pick Me Ups” Delivered to Children’s Hospital Oncology Floor Parents

*Presidents Corner
continued from page 1*

Believe me when I tell you, they don’t come any “sweeter” than Past-President Pam Graves! According to PI, “Sweethearts” should be “active in an assigned role within the club, promote and support PI and its activities, be active in a project that addresses one of PI’s core areas of service focus, and be faithful in attending meetings and give generously of his/her time to assist with service projects and fundraising activities.” I’d say our nomination was a perfect fit.

I’m so looking forward to seeing everyone and their guests at our November pre-Thanksgiving meal and meeting on the 18th. Please bring a side dish or dessert – and your thankfulness – to share!

Allison Sousa
