Sue Beltz October 13

President's Corner

Ahhhh...Fall Council! The good news is that our club was represented at this important event for our district. The bad news...well...we're afraid people won't ever again think of the Pilot Club of Lenoir City in QUITE the same way!

Mom and I won second place in the talent show competition Saturday night, which garnered a nice certificate (see picture) and a \$40 contribution to PIF in our club's name (yay!). However, I'm afraid it also garnered us a reputation we won't soon live down. I can't say too much about the details, as we hope to treat the club to the "performance" sometime in the near future.

The gathering itself was great. Of course it was a lot of fun. It was wonderful seeing long-distance friends and a terrific opportunity to make new ones (an opportunity that most certainly was not wasted). Also, it isn't often that you attend a workshop-based event and enjoy 01/ of the sessions, but we REALLY did! There were some terrific presenters sharing very practical and useful information. Of course, there was a huge emphasis on membership, which brings me to my next topic...

The executive board met and will be recommending seven (yes, as in "7," "siete," "sept," "sieben," etc.) new members to the club! Say it in whatever language you prefer, but it's still SEVEN! Better yet, these are an INCREDIBLE seven applicants that we look forward to presenting to you for approval at the October 26th meeting.

And lest you think our October meeting could not get any more exciting, Tennessee District Governor-Elect Charlynn Parson will be visiting, along with former Governor Judy Nance. (Truth be told, after the events of Fall Council, we're surprised they're brave enough to visit our club. But we're pleased as punch at their show of courage!) Let's try to have perfect attendance next week to properly welcome Charlynn and Judy and to learn from them, so that we can apply what they have to offer for the betterment of our club.

In Pilot Friendship, Allison

Anchors Help with Taste of Loudon County

Another busy month for the Anchor Club! Lenoir City High School celebrated homecoming and 8 of the 10 girls on the court were Anchors! They also helped with the Taste of Loudon County, monitoring the kids' play area. Then the Anchors helped with the Coty Bluford Memorial Bass Tournament. They helped distribute registration forms on vehicles at area boating spots several weekends before the event. Then they helped at the tournament serving lunch, helping with clean-up and releasing all the fish after the weigh-in! They are now concentrating on the Alzheimer walk scheduled for Nov. 20. Any Pilots wanting to contribute donations to that event, please see Kim, Ed or Dora at the next meeting. The Foothills Memory Walk collects money for Monroe, Loudon, and Blount Counties. *Dora Cooper*

Membership Division

October is Membership Month... and Don't We Know it?

Your Membership Division has been busy, busy, busy! The result? Seven potential new members for our club! The executive board is excited to be recommending the following members for approval at the October meeting:

Terry Bailey – Terry is the owner of Liberty Tax Service and Premier Business Solutions LLC in Lenoir City. She volunteers to assist the Boys & Girls Club of Lenoir City, the Knoxville Comprehensive Breast Center, Loudon County Toys for Tots, Children's Miracle Network and Cell Phones for Soldiers. Terry would like to become a Pilot "to meet the needs in our community in education and service to families whose relatives suffer from brain injury or illness." (*Recruited by Allison Sousa*)

Judy Fleming – Resides in Kingston. She is a retired from First National Bank. She brings to the club her outstanding organizational and paperwork skills. Fleming is a member of the Highland Park Ruritan. Her primary reason for seeking membership in the Pilot Club is because she "respects their work with Special Olympics." (*Recruited by Allison Sousa*)

Dara Gross – Resides in Lenoir City. Dara works in the accounting office of the Lenoir City WalMart. She serves on the Loudon County Education Foundation board of directors and volunteers with New Life Bread Basket, Boys & Girls Club, Toys for Tots, Relay for Life, and Children's Hospital. "The good in the community" is her reason for being interested in the Pilot Club. (*Recruited by Pam Graves*)

Debbie Hines (e-member application) – Resides in Loudon. Works at the Loudon County Sheriff's Department as the sheriff's secretary. She is a member of the Loudon County Humane Society, Loudon Merchants & Property Owners Association, Loudon County Chamber of Commerce, Fraternal Order of Police, Daughters of the Nile, and Prayers and Squares (a quilting organization). Her reason for becoming a Pilot is "because of their work with brain-related injuries and patients." (*Recruited by Allison Sousa*)

Tammy Lane – Resides in Loudon. Lane is a full-time office associate at the Lenoir City WalMart. She serves on the advisory board of the Boys & Girls Club of Lenoir city, is a board member on the Committee of 100 and is the community involvement coordinator for Wal-Mart. Lane would like to become a Pilot because she "enjoys helping in the community for the good of its citizens" and she "likes to make a difference." (*Recruited by Pam Graves*)

Elizabeth ("Betsy") Morrow – Resides in Knoxville. Is retired, but has worked in Loudon County directly and indirectly for the past 13 years. She continues to freelance her writing, editing and public relations skills. Morrow is a member of the Junior League of Knoxville and is very involved with numerous efforts at St. Elizabeth's Episcopal Church. She is interested in being a Pilot because "I have an interest in Pilot programs to assist those with brain injuries and developmental, emotional or mental disabilities. My youngest son is a special education teacher at Farragut High School." (*Recruited by Allison Sousa*)

Dartha Wilkinson – Resides just over the county line in Knoxville. She is a member of First Baptist Church in Lenoir City and volunteers as a Lay Chaplain at the Loudon County Jail, and well as with numerous organizations throughout the community. While retired, she is an event planner by trade and maintains her license as an insurance agent. She is the former owner and proprietor of Magnolia Manor in Lenoir City. She desires to join the Pilot Club because she "has time and wants to make a contribution to the community." (*Recruited by Allison Sousa*)

We are excited that many of these applicants are planning to attend our October meeting, so they'll get to meet our governor-elect, a past-governor, and learn a little bit about how our club fits into Pilot International's Tennessee District.

Projects Division

Pilot Serves Dessert at Taste of Loudon County

Once again our homemade desserts were a big hit at the Annual Taste of Loudon County held at LC Park. Thanks to all who made desserts and worked the event.

Bingo remains a favorite with patients at the Baptist Health Care Center. I believe those of us who help get as much enjoyment out of it as they do. If anyone who hasn't helped with it before wishes to assist, just give Myrtle a call (986-7770) Thanks to all who have been giving of your time to help.

Our reading to the Pre-school class requires more patience this year because the students are younger than in previous years and consequently have shorter attention spans. A special thanks to Sonja, Sandra, Trovia and Norma for their efforts.

Thanks, *Myrtle Curtis*
