Buzz Worthy Notes from your President...

I'm sure we are all asking the same question... is winter ever going to end? I am so ready for spring! One thing is certain... Spring will arrive... flowers will bloom, trees will bud, the grass will turn green and new life will flourish. This is the perfect time for our club to flourish as well... to be a breath of fresh springtime air in and throughout our community. We each possess a natural ability or skill... with all of the combined gifts and talents, it should be a breeze to finish out our year buzzing along with new life and new energy to complete and achieve our goals and objectives.

Spring!!

*The cold winter has passed and now comes Spring.
The newly hatched baby birds will cause the mother birds to sing.*

*The warm sun comes out, little cherry blossoms are in bloom.
Beautiful roses will open up and smell of sweet perfume.*

*The winds soft breeze passes through all the trees.
There will be plenty of work for the busy honey bees.*

*From flower to flower, they fly and buzz all day.
Spring is that magical time during March, April and May.*

Family Friend Poems

There is plenty of work left to be done for our busy bee hive. I'm looking forward to finishing our Pilot year buzzing along during this magical time of spring!

In Pilot love and friendship,

Sherry

2nd-6th International Annual Convention
 Chicago, Illinois
 14th Club Meeting

What’s Buzzing?

Life is a balancing act. Do you sometimes feel out of control, like you are spinning your wheels and getting nowhere? Do you have days when you have so many tasks to get done, but you just don’t know where to begin... you wonder how you will ever be able to juggle everything? When we talk about finding balance in our life, it is often about balance of work and family, and about the hectic lifestyle and stress management. Michelle McArthur will give us tips on how to balance our lives at our March 10th meeting. She will offer us ways to address our minds, our bodies, our souls, in a way that will help us feel more in control and minimize the stress in our lives. The title of her presentation is “The Mind, Body and Soul Institute: Finding the Balance”. I know you won’t want to miss it!!

Busy Bees... Helping Hands

Our “Hands to Work” project will be to provide a basket of goodies for three individuals (two men and one woman) transitioning from Ridgeview to their very own place. Suggested items to bring include the following...

Hygiene Products	Cleaning Supplies
Toilet Paper	Paper Towels
Tissues	Garbage Bags
Toilet Brush	Sponges
Aluminum Foil	Storage Containers
Flashlight w/batteries	for Food
Magnetic Memo Pads	First Aid Supplies

One of the men needs an electric can opener

Please bring your items to the March meeting and we will put our “Hands to Work” to fix up their baskets.

Busy Bees... Working Hands

Two of our bees have been busy working on our display at the Oak Ridge Public Library. With the month of March being “Brain Awareness” month, Kay Hamilton and Linda Morel, created a beautiful, and very informative, display on brain-related sports injuries. Thanks, Kay and Linda!!

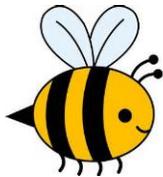

Pilot International Do More, Care More, "Bee" More...

Safe Kids Day: The National Safe Kids Day is April 12, 2014. It is an annual fundraising, awareness, and event initiative to keep kids safe from preventable injuries, the #1 killer of kids in the United States. In April, Safe Kids Worldwide and our partners will be working at the local and national levels to promote child injury prevention and motivate families in communities everywhere to join us keeping kids safe.

January/February 2014 Newsletter

Hope you have had a chance to read the recent Pilot International Newsletter. It contains a lot of good information... a letter from President Judy, PI Nominations and new PI Awards, Convention Information, Brain Safety and Fitness Updates and Caring for Families in Need, New Member Recruitment Resources, PI Founders Fund Information... just to name a few. If you were unable to open your email, copies of the newsletter will be available at our March meeting.

From the District Hive...

District Convention

We have received our "Second Call" and registration packet to District Convention which will be held on May 2-4, 2014, at the DoubleTree Hotel in Murfreesboro. The packet includes the 2014-2015 proposed budget; the 2014 convention budget; and nominee applications and vision statements from Sherry Bath, PC of Oak Ridge, nominated for Governor Elect, Janet Williams, PC of Hohenwald, nominated for District Treasurer and Catherine Melton, PC of Athens, nominated for District Secretary.

Convention registration is \$100 with the cut-off date being April 15th. Room rate is \$99 per night plus taxes. The cut-off date for reserving a room at this price is April 12, 2014. Hope you're planning to attend... we need a good swarm of Oak Ridge Busy Bees at convention and your nominee for Governor Elect needs your support!!

Buzzing Into the Future...

The 2014 Arts & Crafts Fair

Many thanks to all who were in attendance last month who helped in getting our invitations out to all of the 2014 crafters. We have received applications with money from six crafters already. We will be contacting everyone we haven't heard from after the March 31st deadline.

Thoughts and Prayers

Our dear Pilot friend and Past Governor, Marie Flanary, is in need of our thoughts and prayers. She was admitted into the hospital with pneumonia last week and is now in hospice care. Cards may be sent to Marie at the following address:

Wellmont – Holston Valley
130 West Ravine Road
Wilcox Hall, Room #37D
Kingsport, TN 37660

Motivational Corner...

"Your talent is God's gift to you. What you do with it is your gift back to God."

Leo Buscaglia
