Buzz Worthy Notes from your President...

I hope you are all enjoying this beautiful fall weather. It has always been my favorite season of the year!

Our September meeting was incredible! We covered a lot of ground in a very short amount of time. I hope my recap e-mail of the meeting was helpful to everyone, including those who were unable to attend. I have to say, since becoming a member of this Club, the one thing that has impressed me the most is how every single club member steps up and volunteers, no matter what the task. You all simply amaze me. Your hard work and dedication is unprecedented. Your commitment to "Do More, Care More, Bee More" for our community, makes me proud to be your president. Thank you for all you do for our club and our community through the love and friendship of Pilot.

Sherry

Happy Fall, Y'all!!

MOTIVATIONAL CORNER...

“In organizations, real power and energy is generated through relationships. The patterns of relationships and the capacities to form them are more important than tasks, functions, roles and positions.”

Margaret Wheatley
