Special Club Meeting - Official Visit and Share Pilot

We will be hosting our Tennessee District Governor, Debbie Williams, at our October 14th club meeting. We have also invited our local members-at-large and a few other guests to "Share Pilot". Please remember our meeting will begin at 6:00 p.m. and to bring a finger food to share. We will have a little social gathering with Governor Debbie and our guests prior to our meeting. Let's have a great turn out and show our "Queen Bee" that her Oak Ridge worker bee Pilots are all about friendship and service!!

Arts and Crafts Fair ~ November 15th & 16th

Our annual Arts and Crafts Fair is fast approaching. Jo and Betsy have been working diligently to locate new crafters and send out applications. Kay continues to receive requests on our Facebook page. We now have 64 paid booths, 17 booths being held for crafters who have been sent applications and 2 empty booths. Things are looking good for this year's Fair!! We will have updates at our October meeting.
