

# PILOT PATTERN

Pilot Club of Chattanooga, TN

August 2017

## PRESIDENT'S MESSAGE

Dear Pilots,

Those of you who did not attend our July meeting missed a treat. Our Governor, Gay Hinson, led us in creating a shield (paper of course) depicting our club's accomplishments and identity.

Gay, a member of the Hohenwald Club, graduated from high school in Daytona Beach, Fla. Quite a journey from Daytona Beach to Hohenwald!

Try to attend our August meeting. We are making plans for the Fall Council here in Chattanooga.

The Walden Club does not always have an American Flag in the meeting room; however, there is a beautiful Flag about two buildings away which serves the purpose while saying the pledge. It looks great, blowing in the breeze.

Love,

Bertie Lou

## 2019 DISTRICT CONVENTION

The DAC (Gay Hinson, Susan Moores, Carolyn Allison and Joyce Holland, along with Catherine Melton and Max Holland) met at the Drury Inn in Franklin, TN on Aug. 11<sup>th</sup> and 12<sup>th</sup>. The location was impressive and more than adequate for the Convention. The DAC reviewed the Standing Rules and Policies and Plans for the District.

The breakfast and evening meal provided by the hotel was very adequate and saved the cost of going out for food. All types of drinks were included. Cool Springs Galleria is nearby for shopping.

## FROM THE LAST MEETING

Plans for Fall Council and the Alzheimer's memory Walk were discussed.

Gay Hinson, District Governor, provided a summary of the International Convention in Las Vegas and provided an update on the health of Janet Williams who became ill at the convention. The Tennessee Delegation gave the invitation for the Nashville, TN 2018 International Convention to the membership. She said there is a new Brain Minders "roll out" with puppets and materials focused on middle school age children. A Compass Club is being established to provide members ages 18 to 26 a "bridge" between Anchor clubs and regular Pilot Club membership.

## SOLAR ECLIPSE

Hope you enjoyed the solar eclipse. It was sponsored by the Pilot Club of Chattanooga. The Pilot Club of Martin is planning an eclipse in 2024.
