

## THE WHEEL

Pilot Club of Cookeville  
Meets on the 3<sup>rd</sup> Tuesday  
of each month at 6:30PM  
790 State Street  
Cookeville, TN 38501

September 2015

### President's Greeting:

WELCOME FALL PILOTS,

Yes. Fall begins after our meeting, Tuesday, September 15<sup>th</sup>. I can't wait for cooler weather. The fall colors are also very appealing. Please make a note to remind yourself to be at the next meeting.

Our thoughts and prayers are with Carol Stover. She had a fire in her home. Fortunately no one was hurt. She looked great on TV though.

Further reminders: Butter Braid orders and payments are due at the meeting though I can accept orders for a week after. Please bring an item for door prizes during FALL COUNCIL. Just a \$10.00 item is what we need. \$10.00 gift cards for Dollar Store, Walmart, etc. are acceptable and

welcome. If you have items for the registration goody bags, please bring those as well.

BIG thanks to Nancy Lafever and Martha Williford for sacrificing their time, talent, and patience to head up the Tour of Homes again. If you have ANY ideas of possible homeowners who are willing to open their homes for the Tour, please let them know. They have no homes yet. If you saw the great article in the Herald Citizen about Project Lifesaver (thank you, Susan Moores), keep the article to use as selling points to get homes and sell tickets.

What a pleasure it was to have District Governor Sherry Bath in our August meeting! Cookeville Pilots surely appreciated her encouraging words and her positive energy.

Please don't forget that we are hosting FALL COUNCIL OCT 16 & 17<sup>th</sup>. Friday night activities will be held at the LaQuinta Inn. This will be a meet and greet with a Wonderful Hat contest and Tea Party. Start working on that daring hat you have always wanted to create or dig great-aunt Nellies hat out of the attic.

Thank you PILOTS for your time and efforts in preparing for Fall Council and the other activities during the year. There is no better group of ladies ANYWHERE else. It has been said that the love you liberate in your work is the love you keep. Cookeville Pilots are the shining example of that love. God bless you, keep you and give you peace.

Pilot Love,

Lillian Derricks

**Mark your calendar for the  
3<sup>rd</sup> Tuesday of each month.**

## BRAINMINDERS

HELMETS HAVE BEEN ORDERED. LET THE WILD RUMPUS BEGIN!

## Fundraising:

Butter Braids are on sale and hopefully, we will sell 300. .

## Membership:

If we want to attract new members to our Pilot Club, we must let community minded people know we are looking for new members. Tell friends and relatives, men and women about Pilot and why our work is important in Putnam County. Tell them about our projects and how they help us help many Putnam citizens. We are only as strong as our attitude toward our club. Let us adjust our thinking and move forward with a positive Pilot attitude.

The word for September is

“PERSERVANCE”

## Caring More Through CONNECTING

Most of our members know about the recent fire at the home of Carole Stover. Carole is staying with her son until she can return to her residence. Many have expressed a desire to show our care and concern for Carole with gift cards from TJ Max or Belk. This is a good way to show we care since some of her clothing was destroyed. If you would like to participate, please bring gift cards or cash to our next meeting. If you think of something besides gift cards, please feel free to do something different. Call Carol Bilbrey with questions.

SEPTEMBER.
